

## Deputy Principal Matters by Michelle Nunura

### Student and Parent Portal

Assessment tasks for Years 7- 10 will now be issued to students via the Sentral Student and Parent Portal. This will provide an easy access point for students to view their tasks at any time. Parents will also be able to view all assessment tasks that their child has been issued. This may help you assist your child to develop appropriate organisational skills.

Parents have been emailed an enrolment link and supplied a key to link with their children. Any parent having difficulty registering or applying the key can email the school and one of our technical support assistants will reply during office hours.

### Nationally Consistent Collection of Data (NCCD)

All Australian schools are required to participate annually in the NCCD on schools students with a disability. The model for the NCCD is based on mandatory obligations to students under the Disability Discrimination Act 1992 and the Disability standards for Education 2005. Please view this link for further information (including opt out procedures). <https://www.education.gov.au/what-nationally-consistent-collection-data-school-students-disability>

### Mock Trial

Many thanks to Mrs McGhee for running the Mock Trial team this year. Our team proved successful over Masada, Ravenswood and PLC. On Tuesday evening, we came up against a strong opposition team from Brigidine College. In a close encounter, Brigidine slightly came out on top. Mrs McGhee's report is on page 2 of the newsletter.

### Year 12 High Achievers

On Wednesday we held our High Achievers' Morning Tea for Year 12 students who are consistently applying themselves and achieving results towards the top of each of their courses - Amir K, Aya M, Barton Y, Behbod I, Bronte C-J, Dennis C, Elia P, Emily W, Tharushi G, Iliana Y, Jacqueline P-O, Jesse Y, Jonathan B, Laura G, Lucia B, Lucinda D, Melanie S, Michael C, Natalie C, Nicholas B, Nicola H, Sarah S, Xinwen Z, Xinyi X, Zishan D. This is an opportunity for these students to be reminded that their efforts are not unnoticed. Many thanks to Mrs Gettens for her organisation and passion in running these morning teas.

### Electronics Club

Each Tuesday at lunchtime, students from years 7 to 10 join the Electronics Club. Students work on building electronics circuits like a moisture detector, a blinking light circuit and light detector. Recently we joined the STEM program called *Cuberider* where we will be working with the US company, *Dreamup* to see what the conditions are like for astronauts on the International Space Station.

### Subject Selection Year 10 into 11

We have refined our Year 10 into 11 subject selection processes for 2018. Our goal is to ensure students have clarity around the courses on offer. We realise this is an important step in your child's learning journey.

Here is a snapshot of the Year 10 into 11 subject selection timeline with key dates to mark in your diary:

### Week 7

- Year 10 students were issued the Subject Selection booklet. The booklet includes course outlines, email addresses of all KLA Head Teachers and the 'Subject Taster Timetable'.

## Week 8 - Monday

- *Roll Call:* Year 10 students must bring a device as they are required to complete a *student interest survey*. This data will be accessed by subject Coaches during the Week 9 coaching sessions. Ms Paterson has emailed the link to all students.
- *Periods 1-2* will involve subject specific talks from Mathematics, English and Science Head Teachers. During Period 2, Nathalie Bodley, Deputy Principal, will outline the other courses that are on offer in Year 11. At this time, students will also be briefed on study pathways and rules around selecting courses. Students will also sign up for a subject selection coaching session, which will take place in Week 9.
- *Periods 3-4* Students will be involved in the Subject Taster Sessions. This will be an opportunity for students to be briefed by course experts (teachers).
- *Period 5*  
Students will undertake a mock subject selection. Students go to their normal classes and select their subjects online. This data will be distributed to KLA Head Teachers and students who have made unsuitable selections should be spoken to as they may require further guidance. During Week 1, Term 3 students will make their subject selections.

## Week 9

- Focus of this week - student coaching.
- Students will have already signed up for coaching session during Monday- Week 8. The allocation sessions will be displayed outside the Deputy Principal's office.
- Parents are invited to come along to the coaching sessions. Coaching will take place throughout the week and also on Tuesday evening 3:30-7:30pm.

## Minimum Standard Reading and Writing tests

Many Year 10 students sat the Minimum Standard Reading and Writing tests this week. Both tests were 45 minutes, and all the hard work on students' literacy skills has clearly paid off as over 92% of students achieved the required standard of level 3 or above. The Writing test results should be available in 20 working days. The next window to re-sit the tests will be mid next term. Well done to all the Year 10 students.

I will be relieving as Deputy Principal for the remainder of the term as Nathan Lawler is on Long Service Leave. I will therefore be overseeing Years 7, 9 and 11 and can be contacted on [michelle.nunura@det.nsw.edu.au](mailto:michelle.nunura@det.nsw.edu.au)

*Best wishes*

## MOCK TRIAL

The students took on Brigidine on Tuesday evening in the competition which was the last round before the eliminations. The case was a civil case and, as the presiding magistrate said, a very difficult case. Brigidine put up a great fight and won both the case and the competition, in a very close match. Both the closing barristers from each school were commended by the magistrate as being the best he had seen in a Mock Trial competition. Well done Daniel P! With this round over we are still in a great position to go through to the elimination round. We will find out on Monday.

Congratulations to Daniel P, Abbey C-J, Dominic J, Rojina P, Kasra P and Lizika M. A special thanks to our cheer squad too – Erik F, the Cormican Jones family, Mr Cullen and Mr Watson.

## ART TOUR REUNION

On Wednesday after school the teachers and students that travelled on the Art tour to Berlin, Prague and Vienna met for a reunion. We enjoyed pizza as a video of the trip was shared and reminisced on by all. Looking back, it was a jammed packed and memorable time for all of us. For me, I know I will return to Berlin with its depth of history and chill vibe.

## THIS WEEK IN YEAR 7 TECHNOLOGY MANDATORY (WOODWORK)

This week in Year 7 Technology Mandatory (woodwork), the students have been finishing up their rebate joints, gluing their side pieces together and creating the base for their pencil storage box project. Extra care was taken when shaping and cutting the wooden bases to ensure a flush finish. The students remarked on the progress they have completed, with Chloe M stating "I feel like it's going well and is coming along nicely" and Davin J said, "I had some mistakes at the start, but everything is coming together and it's becoming a lot easier to work on." In the coming week, the students will be looking to finish their bases and begin constructing the lid.

## YEAR 8 CAMP : 10 - 12 DECEMBER

Last week Year 8 had the great pleasure of an introduction to our camp which will take place from 10-12 December. After many years of not having a Year 8 camp we have decided to reinstate it as part of our resilience building program. Danielle from *Camp Somerset* presented an enthralling Powerpoint to which the students responded with cheers and clapping.

Here is a snippet of the Camp Somerset Outdoor Programs Philosophy from their website:

*People more than ever need Challenge and Adventure in their lives and the growth that comes from that. We aim to provide these essential elements in a beautiful, fun and safe environment.*

*Building on outdoor adventure experiences through experiential learning will give confidence in physical, social and mental skills for life! We believe this is best gained through different experiences. Some of the experiences include canoeing, Archery, High Ropes, Low Ropes, Flying Fox, Abseiling, Giant Swing, Bush walking, Mountain Biking, Raft Building and community cooking. Students will sleep in tents provided by Camp Somerset and enjoy sing alongs around the camp fire.*

A big thank you to Danielle from coming to talk to us!

More detail is to follow for Year 8 families. Students and their families are invited to ask Danielle, through Mrs Regan, any questions large or small. Just email Mrs Regan [peta.regan@det.nsw.edu.au](mailto:peta.regan@det.nsw.edu.au)

## BILL TURNER SOCCER CUP

On Tuesday 12 June, St Ives High School's Bill Turner Cup team came up against Holy Cross College Ryde. We were under-strength due to a number of injuries. However, it did not stop the boys' enthusiasm and effort on the pitch. Unfortunately St Ives went down 2-0 in a tightly contested match with both side's midfield battling out for supremacy. Holy Cross were able to capitalise on their opportunities despite the valiant efforts of the St Ives High School. St Ives' stand-out players were Jacob B, Giancarlo F and captain Graham P.

A special thanks must be given to Mr Ben Rees who officiated the match with the assistance of Year 10 students Henry S and Adrian P.

Get ready for Spirit Day —  
Wednesday 27 June

Attention Students!  
**WEDNESDAY 27 JUNE IN WEEK 9, ST IVES HIGH  
IS PROUD TO PRESENT SPIRIT DAY!**

On this fantastic mufti day, students are encouraged to wear blue and white clothing to celebrate our wonderful school. There will be a bake sale set up at recess and lunch with delicious treats for students to buy and fantastic carnival style games taking place all over the school for students to challenge their friends and have some fun.

A gold coin donation is necessary to wear mufti on the day with gold coins being collected in the week leading up to the fun filled day in roll call. All proceeds raised will go towards bench seating at the top of the hill between the top and bottom oval, so that students no longer all need to sit on the ground but instead can look out across our beautiful green grounds. Any students who wears mufti without giving a gold coin donation will be given a uniform detention on the day, which NOBODY wants!

Keep an eye out for posters around the school reminding you about SPIRIT DAY and get excited!

## Scam warning: fake 'virtual kidnapping' scam targets Chinese Community

The Australian Federal Police (AFP) is warning the public about a complex new [international scam](#) targeting the Chinese community in Australia.

The scam involves victims – largely international students – being told they are allegedly implicated in crimes in China. The scammers then coerce the victims into a series of actions and make threats that their families in China will be harmed if they don't cooperate.

Simultaneously, the victims' families in China are told by the scammer their family members have been kidnapped and will only be released if a large sum of money is paid. In each case, the scammers communicate with the victims in Mandarin and falsely claim to be Chinese government officials.

We need to let students know that if they think someone is trying to scam them, or they have been scammed, the AFP advises to cease all contact with the scammer and contact their local police or consulate immediately.

For information on how to report these scams and tips on how to protect themselves, advise them to visit the Federal Government's Scamwatch website [here](#). If they are concerned that their identity has been compromised, ask them to contact the national identity and cyber support service (IDCARE) [here](#). Please ensure you give international student a copy of the tips below:

### Tips on how to protect yourself:

- If you get cold called by someone making threats about arrest or deportation, it is a scam. Do not send them any money. Instead, hang up the phone immediately and report it to your local police.
- Never give your personal, credit card or online account details over the phone unless you made the call and the phone number came from a trusted source.
- If you think you have provided your bank account details to a scammer, contact your bank or financial institution immediately.
- When dealing with uninvited contacts from people or businesses, whether it's over the phone, by mail, fax, email, in person or on a social networking site, always consider the possibility that the approach may be a scam.
- You can contact [IDCARE](#) (a national identity and cyber support service) for support if you have concerns about your identity being compromised. Contact them via the [online form](#) or phone: 1300 432 273.
- The Scamwatch website has information about scams in [Chinese languages](#).
